ASSISTANT SECRETARY TO GOVERNMENT REVENUE DEPARTMENT E - JUN 1946

REFERENCE:-

The Government servants in inferior service are eligible for the grant of advance of travelling allowance only when they accompany Gazetted officers and are not when they accompany non-Gazetted officers as per article 84 of Madras Financial Code Volume I. The Assistant Commissioner,West Coast Sub Division and the Deputy Commissioner,Southern Division recommend that this rule should be relaxed so as to permit the grant of advance of travelling allowance to peons employed under the Assistant Inspectors on sp cial cashew duty in the whole of the South Kanara district. A copy of the West Coast Assistant Commissioner's letter No.C.R.1234/46-F, dated 5th April 1946, is submitted herewith to Government.

2 The Accountant-General, to whom this was referred, has stated that there is no audit objection for sanction being accorded by Government permitting the head of the office, i.e., in the case the Inspectors of Excise,Kasargod and Mangalore circles to grant advance of travelling allowance on tour to peons employed under Assistant Inspectors on special cashew duty in the whole of the South Kanara District. A copy of the Accountant-General's letter No.T.3 Ex.517, dated 22-5-46 is herewith enclosed. As it

is

is too much to expect officers of the Assistant Inspector's cadre to advance from their own pockets bus fares etc. to their peons often, the Board requests the Government may be pleased to relax the article.84 of Madras Financial Code Volume I accordingly.

AMR.3.6.

Copy of West Coast Assistant Commissioner's C.R.1234/46-F, dated 6th April 1946.

Sub:-Advances -Travelling allowance for peons on special cashew ~~xxxxx~~ duty -In south Kanara District- Request-Reference.

Ref:-Inspector, Kasargod, N.Dis. 415/46, dated 25-3-46.

1 Article 84 of Madras Financial Code permits grant of advance of Travelling Allowance to Government servants in inferior service who accompany gazetted officers, and peons attached to officers of the conservators, District Forest Officers and Ranges. This concession is not extended to peons of Non-gazetted officers.

2 The Assistant Inspector, Kasargod circle reports that during cashew season he has to surprise the whole of Puthur Taluk for detection. Frequent and rapid marches have to be made in different parts of the taluk and to apprehend the Abkari offenders successfully journeys have to be made by buses to take them by surprise. The low paid peons find it hard to meet the incidental expenses connected with the frequent surprise journeys. If the peons are sent in advanc on foot they get tired and evince little interest in detection. To get over the difficulty the practice generally in vogue was to advance the required money by the officers. The Assistant Inspector reports that he finds it difficult to meet the bus fare and other expenses of all the peons from his pocket.

3 The difficulties experienced by the officers are genuine. In the interest of efficient work I am of opinion that the peons accompanying Assistant Inspectors in the South Kanara District who are employed for special cashew duty should be granted advance of Tou Travelling allowance for the period they are on special duty.

4 The concession allowed in Article 84 Madras Financial Code may be extended to the peons employed under Asst. Inspectors on speci cashew duty in the whole of the South Kanara District.
